

## Management Accountant

- **Strong management accounting experience**
- **North Ryde location**
- **Immediate start**

CDC Praxa, part of the CDC Australia Group, is a leading Australian IT services company with over 27 years of successful software delivery experience. With offices across Australia, CDC Praxa is dedicated to providing innovative business solutions to its clients and has a reputation for providing true value to its customers.

An exciting opportunity exists for a self-driven individual to join our Sydney team as a Management Accountant based at our North Ryde offices. You will thrive in a fast-paced, dynamic environment and enjoy a challenging and varied role. Reporting to the Finance Director, your key accountabilities include:

- Financial forecasts
- Cashflow forecasts
- Assisting with annual company budgeting
- P&L business unit reporting
- Project accounting
- Project financial management
- Revenue recognition
- Credit application approvals
- Debt control management
- Corporate taxation

You will possess strong management accounting experience and be proficient in the Microsoft product suite, in particular Excel (advanced level). You possess a keen customer focus and the ability to communicate effectively at all levels.

A self starter with strong analytical skills and a keen eye for detail, you possess good organising skills and are adept at managing multiple priorities to deadlines. Experience using Great Plains Project is essential. Prior experience working in a multi-company environment would be highly regarded.

If you would like to work with an innovative team of professionals in a vibrant company with an open and supportive culture, please forward your application, detailing in your resume how your skills and experience are relevant to this position to [human.resources@praxa.com.au](mailto:human.resources@praxa.com.au)

An attractive remuneration package will be negotiated to secure the ideal candidate.
